

To Whom It May Concern:

As an authorized representative of _____, ("Customer") I designate **TruPowur** ("Agent") to exclusively represent and evaluate bids on my behalf for negotiation and procurement of electric and/or natural gas supply services. Please direct all historical usage data, pricing, and other pertinent information to my Agent, **TruPowur**.

If you have any questions regarding this please do not hesitate to contact me at _____. Thank you for your cooperation on this matter. Daytime Phone Number Here

_____ I designate **TruPowur** the authority to execute on our behalf for the procurement of electricity and/or natural gas.
Initial Here

The parties agree that they shall never in any manner divulge, disclose, communicate, or authorize any other party to divulge, disclose, or communicate, to any third party, directly or indirectly, any confidential information obtained through the provision of services under this Agreement, without the prior written consent of the other party. Such confidential information includes, but is not limited to, information concerning: this agreement, financial information, policies and procedures, marketing strategies, mailing lists, addresses or telephone numbers, or any other matters affecting or relating to the this agreement where said information is not specifically previously known to the individual, individuals, entity, or entities to which the information is directly or indirectly communicated.

The terms of this agreement shall begin on the Effective Date and continue until termination by either party. Customer may terminate this agreement with 30 days prior written notification. **TruPowur** will start the renewal process at least 90 days prior to the end of executed contract; notification of termination on renewals shall be 120 days written notice before the end of existing Contract.

Sincerely,
